Re: Minsi Jaimin

Minsi has worked for us as a GSA (Guest Service Attendant) at our Petro Canada location in London, Ont. She has been employed with us for almost 2 years.

Minsi is an exceptional employee. She has a curious mind and behaves in a professional manor at all times. We have, on more than one occasion, had a guest compliment her and their experience with her.

Petro Canada uses an independent company to perform monthly mystery shops at all locations. When shopped, Minsi has always earned a perfect score.

I would hire Minsi again.
